SPONSORSHIP

2024

About Us

Bishop's Events was launched in 2011 with the mission of giving back to others.

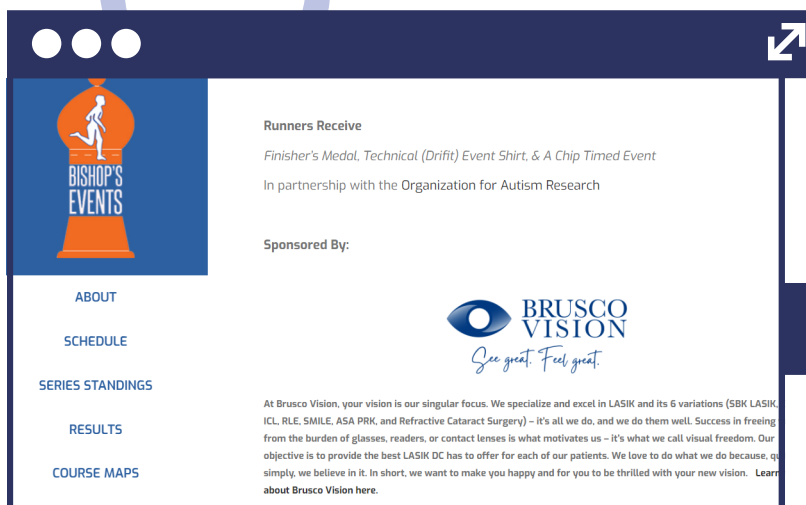

We do this by providing the areas runners high quality races that benefit local and national charity organizations. Each race we host, we give 25% of the profits back to the specific charity benefactor from the race. Each year, we are projecting about 180 events around the Virginia and DC areas. We also partner with outside organizations to time their events.
